There is a shortage of neurologists in the area, but to better assist you with getting neurological care, here is a list of other neurologists and clinics in the area. This is not an endorsement of any of the following clinics, rather a list of resources.

General neurologists in Tyler in Private Practice:

Robert Boyne, MD (903-596-3808)
Preston Harrison, MD (903-597-3787)
Richard Tyer, MD (903-595-6789)

Large Group Practices in Tyler:

CHRISTUS Trinity Clinic - Neurology (903-606-7995)
UT Health Neurology (903-535-6092)

Outside of Tyler, there is Texas Neurology (214-827-3610) and Neurology Consultants of Dallas (214-750-9977). Both of these have many Neurology sub-specialists and are located in Dallas.
